

The Reece group and Viadux regards its people as its most valuable asset and places the highest priority on protecting them

In pursuit of its objectives, Viadux;

- *Provide and maintain a safe and healthy work environment and implement work practices and conditions that proactively minimise the risk of harm, injury and/or ill health.*
- *Ensures the business complies with all relevant work health and safety laws, regulations, and standards to ISO 45001 and the Reece Group SafeR programme requirements.*
- *Manages hazards and Risks by implementing its health and safety management system and by continually monitoring performance.*
- *Provide appropriate systems and expertise, training, support and encouragement so that every individual can contribute to the continual improvement of Health and Safety.*
- *Provide methods of consultation, engagement and participation from workers, and where they exist, worker's representatives concerning health and safety matters.*
- *Ensures that all workers are informed of and understand their obligations in respect of this policy and that lines of communication are open to all stakeholders on workplace health and safety issues.*
